

COME FILL ME

F#m            D                    E  
I can see You when I look into Your word,

F#m            D                    E  
I can hear You when I listen to Your word

F#m            D                    E  
I can feel you when your Spirit fills my soul (REPEAT)

A                    E                    F#m                    D  
Come fill my heart, come fill my soul, come fill my life, Lord make me whole. (repeat)

D                    E                    D                    E  
Every heartbeat belongs to you, every breath I take, all I say and do  
D                    E  
Lord all I have I give to you
