

Bm, Em, G, A

I Will Abide

Bm
Way down deep in the ocean far far below

Em
My sins have been buried forevermore ↑

G
As the east is from the west

A *Bm*
So great is God's forgiveness

Bm
There's a peace in my heart, I'm finally free ↑

Em
A hope and a future is waiting for me

G
For I know that my life

A *Bm*
Has been saved by grace ↓

D *A*
I will abide in the shelter of His love

Em *G*
In the shadow of His wing I will hide

D *A*
His mercies are new everyday that I live ↑

Em *G* *Bm*
I will live, I will live

Bm
There's a banquet in heaven waiting to begin

Em
And my name is reserved at the table with Him

G
On that day I will enter

A *Bm*
The marriage supper of the Lamb
